List of works produced by Hanna-Barbera

This is a list of animated television series, made-for-television films, direct-to-video films, theatrical short subjects, and feature films produced by Hanna-Barbera (also known as Hanna-Barbera Productions, H-B Enterprises, H-B Production Co. and Hanna-Barbera Cartoons). Note that some shows or new spin-offs of shows may be listed twice. Productions by Hanna-Barbera won eight Emmy Awards.[1] In 2001, Warner Bros. Animation took over function of Hanna-Barbera following founder William Hanna's death, where Joseph Barbera remained an executive producer.

For subsequent productions featuring Hanna-Barbera-created characters, see Cartoon Network Studios and Warner Bros. Animation.
